

## **SIGN FABRICATOR**

Atara Signs is a Markham, ON based wholesale sign company, manufacturing all types of custom signs including illuminated and non illuminated channel letters, sign boxes, pylons, and interior signs. We are currently looking for a collaborative team player to add to our multicultural environment. The right candidate for this hands-on position should have knowledge of channel letter sign fabrication, spray painting and assembly techniques and will take on new challenges with a get it done attitude and pride in their work.

Specific training will be provided.

### **Requirements:**

- Looking for a reliable, hard-working individual who can take direction and is willing to learn
- Must have experience operating power tools and hand tools necessary in the manufacturing of signage with strong mechanical skills
- Candidates should be able to place and wire LEDs wiring
- Sign assembly & light fabrication using aluminum, ACP, acrylic, polycarbonate and PVC
- Responsible for various methods of fastening such as epoxy, rivets, hardware, nuts/bolts
- Preparing materials for routing, painting & vinyl application
- Ability to spray paint projects is an asset
- Maintain good housekeeping practices.
- Capable of lifting up to 50 lbs and able to stand for long periods of time.
- Ability to communicate in English
