

Sign Fabricator

[Curb Signs Inc.](#)
145 Engelhard Drive
Aurora, ON, L4G 3V1

We are looking for a team player for our collaborative Fabrication Team. The right candidate will have a get it done attitude and take pride in their work.

You will be working with other designers and fabricators in a fast paced environment, and have access to equipment such as 3-axis CNC machines, a laser cutter, and more. To be successful in this role, you must have strong attention to detail, the ability to work independently as well as collaborate with others, and enjoy working with your hands to turn a concept/idea into reality.

Job Duties & Responsibilities:

- Receive and interpret drawings, and set up machines accordingly (Accu-bend, ChannelBender, CNC, and Laser Cutter)
- Use computer software to model cutting paths and program machines accordingly, and operate as needed
- Use tools/equipment to prepare and assemble frames and signage
- Place and wire lighting components (e.g. LED)
- Prepare and paint projects
- Inspect signage to ensure products meet design specifications, and advise production managers of any issues
- Troubleshoot and resolve problems with machines as they arise
- Perform basic machine maintenance such as cleaning and sharpening

Job Qualifications / Requirements:

- Knowledge of Adobe Creative Suite & CAD/CAM software (Aspire, Fusion 360)
- Experience with hand & power tools
- Familiar with various materials in order to fabricate products (e.g. ACM, Acrylics, Aluminum, etc.)
- Must have strong attention to detail to ensure that projects are completed to specification
