

Sign Installer – Full Time

Commercial Press and Design Inc., is a local print shop in Peterborough Ontario. We are a small company with a family atmosphere catering to large and small companies as well as individual customers looking for a fabulous experience.

Commercial Press is seeking to hire a Sign and Graphics Installer. This position is full time, currently 37 hours per week.

A Sign Installer is responsible for the successful transportation and installation of a variety of signage types. A Sign Installer is required to review and ensure that all signage meets the required specifications for each project, prepare each sign for mounting, and manage the placement and installation of each sign as required.

A successful sign installer is detail oriented, will demonstrate precision, is knowledgeable about the many different sign types and possess a sound understanding of the applicable construction and installation techniques.

Sign Installer Responsibilities:

- At least two years' experience as a sign installer or similar.
- Valid driver's license. Clean DMV report to drive a company vehicle.
- Working at height and boom or lift device ticket are a plus.
- Knowledge of electrical wiring, metal fabrication and welding are a plus.
- Good knowledge of various types of signs including vinyl, channel letters, pylons, and monuments.
- Successfully Loading and transporting all signage, tools, hardware, and materials to the location safely.
- Preparing the site for installation by removing old signage, preparing the surface or structure for new signage, and securing the electrical connections.
- Ensuring the effective measurement, placement, connection, and installation of all signage.
- Mounting and installing all signs in accordance with all safety protocols.
- Be proficient in applying large format graphics, weeding and applying cut vinyl in the shop and on site.
- Clearing debris and materials from the site after each installation.
- Performing maintenance and repairs to signs, as needed.
- Operating and maintaining the tools and equipment in accordance with safety protocols.
- Maintaining all necessary communication with the Project Management Team.
- This includes properly taking completion photos and emailing them accordingly.
- Obtaining and maintaining all required licenses in a timely manner as set forth by the company.

Vehicle Graphics Installer Requirements

- 1-year Experience REQUIRED in vehicle graphics installations
- Ability to complete installs in an efficient and manner without sacrificing quality of work
- Ability to work as an individual or as a team player to meet customers' installation needs
- Ability to communicate effectively to ensure every install result in a satisfied customer
- Previous experience in the sign industry a plus.
- Clean DMV report to drive a company car.

Hourly wage will be based on knowledge and experience of the applicant.
